

## MESA Otago Presentation Workshop Notes

Table 1: Positives and negatives that grabbed students after viewing a number of posters for 10 seconds each.

Positives	Negatives
Very Simple	Overwhelming
Short, easy to understand	Out of field
Simple colours that match	Busy Background
Not many words	Better use of space
Headings are conclusions	Too many of the same chart type
Enumeration and arrows	Garish colour
Short, sweet title	Wanky boxes
Self-explanatory	QR code
Useful arrows	Too dark/poor colours
Important stuff in centre	Too much text
DOGS!	Inconsistent brightness
Schematics	Unclear labelling
QR code promo for paper	
Clear sections/flow	
Hexagon motif	
Flow in centre
